Pukka-j

Release Notes

cloe.js.gz
nexus.jar 2.20.06
mint.jar 1.22.07
pacsology.jar 1.17.09
pjk.jar 1.15.14
(Released 06/01/2021)

JPEG2000 Node UI
Created a new config display for the JPEG2000 node.

DICOM File Writer
Added a new output option to write everything to just the specified root location. This is best for a temp cache where the file will be deleted when processed and prevent empty folders.
